WHY CHOOSE CALLIOPE PLUMBING?

EXPERIENCE:

With over a decade of solid industry experience, we have built a strong reputation for excellence and perfected our skills.

EXPERTISE:

Our specialised knowledge in commercial plumbing ensures that we understand the unique needs of your projects.

COMPREHENSIVE SOLUTIONS:

From hydraulic systems to civil plumbing and specialised services, we offer a complete range of solutions tailored to your requirements.

RELIABLE AND EFFICIENT:

We prioritise reliability, punctuality, and efficiency, ensuring that your project progresses smoothly and on schedule.

CLIENT-FOCUSED APPROACH:

We listen attentively to your needs and work closely with you to deliver customised solutions that exceed your expectations.

EXCEPTIONAL QUALITY:

Our commitment to using high-quality materials and employing best practices guarantees durable and long-lasting results.

OUR PEOPLE

Calliope Plumbing is a team of dedicated experts who take great pride in providing exceptional service and achieving enduring results on every project. Our leader, Managing Director Jai Philp, guides our efforts.

**Jai Philp -
Managing Director**

Jai embarked on his journey in the plumbing trade back in 2003 as an apprentice. Over the years, he honed a comprehensive skill set encompassing all aspects of plumbing, drainage, and gas fitting, gaining invaluable experience in both private enterprise and government sectors.

In 2008, Jai took the bold step of founding Calliope Plumbing. His exceptional problem-solving abilities and practical approach to every task consistently yield outstanding results for our clients. Moreover, Jai maintains an unwavering commitment to upholding quality and safety standards on every job site. This steadfast dedication has driven our business to achieve remarkable growth.

**Marina Ferencek -
Contracts & Projects Management Officer**

Marina's role is pivotal in ensuring the seamless execution of projects within our organisation. With a keen eye for detail and a strong background in project management, Marina brings a wealth of experience to our team.

Her expertise lies in efficiently coordinating contracts, overseeing project timelines, and ensuring that every aspect of a project aligns with our high-quality standards.

Marina's dedication to precision and ability to navigate complex projects make her an invaluable asset to our team, contributing significantly to our commitment to excellence in the plumbing industry.

The team at Calliope Plumbing truly embodies the essence of skilled professionals in the plumbing industry. We bring a unique blend of expertise and dedication to our work, providing tailored plumbing solutions for commercial properties. Whether it's tackling complex installations, conducting routine maintenance, or responding promptly to emergency calls, our team consistently goes above and beyond to ensure our clients' needs are met with precision and professionalism.

OUR PROJECTS

Calliope Plumbing has earned a trusted and reliable reputation through its unwavering dedication to delivering high-quality projects.

We are fortunate to employ a talented and technically skilled team of project managers, plumbers, gas fitters, apprentices and administration support staff.

Our extensive experience on all types of commercial projects, ranging from small to large scale Civil Construction, Health and Education Facilities, Shopping Centres and Government Contracts, have proudly delivered the following projects, as well as now providing ongoing maintenance for these facilities.

TESTIMONIALS.

Let our clients' experiences speak for themselves. Explore what our valued customers have to share about their interactions with Calliope Plumbing.

“

It has been an absolute pleasure working with Calliope Plumbing to deliver the Philip St Community Centre. They are a professional company that approached the entire project with quality in mind and worked tirelessly to deliver the project in accordance with the construction program. I found Calliope Plumbing were always willing to assist with resolving any issues encountered, and also accommodate any changes requested throughout the works. I look forward to working with Calliope Plumbing again when the next opportunity presents itself

Max Parker - Contracts Administrator, Paynters

”

“

Calliope Plumbing was engaged by Benaraby Project to undertake underground work to facilitate a water connection. At all times Calliope Plumbing was professional and easy to deal with. Their team explained the process step by step and liaised with external contractors and council on our behalf. The project was completed on time and on budget. We would utilise the services of Calliope plumbing in the future if the occasion arose.

Hayley McLeod – Project Coordinator, SPINKSCo Commercial

”

“

Calliope Plumbing is truly a professional company, working with us on a cost effective, efficient and quality construction upgrade. The knowledge of the Calliope team was truly a value add to the overall success of our 3 stage project. On time, on budget and... we had fun!

Nev Beresford – Site Manager, FDC

”
